

Far away from mass tourism we explore ourselves, our self perception and the perception of the other. Using the tool of Photography and Consciousness we meet each other on the level of cultivated intercultural and personal exchange. Opening our horizon and filling our treasure with new positive experiences, that will accompany and support us in the future.

---

## DOOR TO THE ORIENT

The Swiss photographer, writer and psychologist Amsél shows you her adopted home city and its beautiful environment in a very personal way. Encounters with VIPs and people from Tangier, visit at the Jbala, Music, Philosophy, History, good restaurants, Moroccan Muslim and Jewish Culture in the City of art, literature, design and commerce. Tangier has always been the source of inspiration for the best filmmakers, painters and authors from the whole world.

## TANGIER CALLING!

---

Magic Tangier, the famous city in the North of Morocco calls you with its beauty, enigmatic history and charme to learn more about your self and the other.

*Tangier is famous for its light, colours and kindness. Tangier has always been a place for inspiration.*

Amsél lives between Zurich, Switzerland and Tangier, Morocco. 2010 she published together with the professor and poet Florian Vetsch the book „Tanger Trance“, Benteli Verlag, Bern. December 2016 her novel „Wiedersehen in Tanger“ („See you again in Tangier“) is published at Verlag Die Brotsuppe, Biel. 2020 her long term work about the Jbala, the people of the mountains in northern Morocco published at Till Schaap Edition, Bern. Amsél also works as a Therapist and Coach, using the tool of photography. Since 2014 Amsél offers personal workshops in Tangier for intercultural development and understanding.

# FIND YOUR TRUE SELF

Encountering each other consciously, helps discovering the own self and the self of the other.

## WORKSHOP „PHOTOGRAPHY & CONSCIOUSNESS“

In small groups we come together in a marvellous Riad, getting in touch with people from Tangier, making photos, discussing and analyzing the results. We meet people, visit the stunning places in and around the City, having a lot of fun and interesting inputs.

*People from all over come together and learn with fun.*

*On the move with the camera.*

## THE JEWISH TRACES IN TANGIER

8 days we follow the Jewish and Muslim tradition in the City, which once was a center of flourishing Judaism. We learn about Jewish History and meet Jewish people, still living there. We visit the historical places and listen to a speech about the mutual influence of Judaism and Islam. We also visit the Jbala, Chefchaouen and other places in the environment. Kosher food is available.

*The old Jewish cimetary in the center of Tangier.*

*A lot of Jewish traces in the synagogues and everywhere.*

## CREATE YOUR PERSONAL GROUP OF 4 TO 8 PEOPLE

Amsél shows you Tangier individually and personally as you have never seen it before. You dive into the City not as a tourist but as a traveller and welcomed visitor. Take the chance and profit from Amsél's great knowledge and experience, that she loves to share with you.
